Terms and Conditions for the issuance of Point of Sale (PoS) Machine

- Point of Sale (PoS) terminals will be provided to merchants after undergoing comprehensive configuration and testing. This includes checks for battery functionality and physical damage.
- Merchants are required to arrange a separate SIM card (4G-enabled to minimize network fluctuations) or Wi-Fi for operational purposes.
- PoS terminals will be issued to the merchants at no cost.
- The bank will replace the PoS terminal within six months of installation only if manufacturing defects are identified. Replacement will not cover damages caused by negligence or improper handling by the merchant.
- The bank reserves the right to impose a charge for replacement PoS machines at its discretion.
- A service charge of 2.99% per annum will be applicable on each transaction, along with any additional charges levied by the issuer bank or VISA for cardholders.
